## *The President would like to say a few words...*

Nisan is the first month of the Jewish calendar (surprisingly not Tishri). Therefore, it seems the perfect time to reflect on the past year or two. The pandemic began in the US in March 2020, causing a change in the daily routine of everyone in the country (and world), not the least at Temple Beth David.

When I became President, we had many challenges: how to conduct meaningful services that our congregants would enjoy, how to keep a feeling of togetherness and inclusion, when we really could not physically get together much? Also problematic: would people actually pay dues when they could not be at TBD physically? How to run a Religious School when the children could not gather in person? Combine that with a change in rabbinic services requiring us to have guest and lay Rabbis on Friday nights. Through strong leadership and team efforts of our Board and active committees, we not only survived, we thrived. I asked the Caring Committee to start to reach out, through regular phone calls and cards to **every single congregant**, so that our members would know that they were not going through this difficult period alone. Zoom services and classes were offered (and still are), so that we **never** missed a Shabbat or holiday service. Outdoor events were held whenever possible, allowing people who were able, to gather in person. Our caring teachers and Principal held Religious School on Zoom each week, most learning how to use this platform for the first time. Fundraisers continued to be held, albeit in a modified way. While many Congregations offered very little during the height of the pandemic, TBD had a full schedule. We attracted new members during this period and through today. In fact, though we lost **many** long time members to death and relocation, our membership has remained stable, and new (and returning) members are still joining.

As the world has opened up, so too, has TBD been able to enjoy some form of normalcy this year. Our Fundraising Committee, with the help of many, many volunteers, has brought in record amounts. Our 26<sup>th</sup> Annual Food Fest, has just concluded its most successful year. Our building is in great condition, with a new roof, fresh exterior paint, refurbished Rabbi's study and office and new chairs coming soon. (cont'd on next page)

(cont'd...)

Members and friends of TBD have been most generous in funding much of these renovations, thus not depleting our Capital Fund. We have been able to bring BNI, a networking group, back on a weekly basis, bringing revenue in to defray some costs. We have also negotiated a long-term lease with a cell-tower company, which, once it is constructed, will bring an additional \$1000 per month into our coffers. Savings have been made on our insurance, telephone services and wherever we reasonably could find savings. Our proposed budget will show a surplus.

I would like to offer my greatest thanks to our Leadership team: the Executive Board and each and every member of our Board of Directors. It really does take a village: it is only through unity of purpose and putting TBD's interests above personal opinions or ego trips that we could have accomplished the results we have attained during the past two years. Even more importantly, I am proud to be a member of this warm and caring family we call Temple Beth David. Your willingness to pitch in, **each and every one of you**, to the best of your abilities, through time, money and effort, has allowed our Congregation to overcome every obstacle and remain strong.

On April 24<sup>th</sup> we will be holding our Congregational meeting, at which time we will be electing Officers and Board members for the coming two years. I would like to remain your President for the next two years, since I feel have some important unfinished business to accomplish. For TBD to survive and thrive into the future, we need to focus on developing our school, youth programs and identifying younger families to join us. We have made a start: This year our School has adopted a new curriculum call ShalomLearning, a wonderful program teaching Jewish content through Jewish values. We have planned, for this summer a long-held dream of mine - a week-long summer camp. I would like the Temple to work with the Federation to help us identify younger families and improve our utilization of our database. We have the very tiny beginnings of a teen youth program, which Rabbi Emanuel want to develop. If you feel, as I do, that we are headed in a good direction and would like to see that continue and grow, please vote to re-elect me as your President on April 24.

*L'shalom,*

*Marlene Shaw, President*

## *A message from the Rabbi*

*Shalom*, dear members, and friends of Temple Beth David,

First and foremost, a big Thank You to all the volunteers that organized the Food Fest mega-event and all the worker bees that made it happen. Your work, enthusiasm and dedication turned it into being such a success, both in its financial contribution to the wellbeing of TBD and in enhancing the relationship with the larger community, that we are part of.

As we continue to keep the ongoing war in Ukraine in our front and center attention, we add to our prayers for peace in the region actions and “sacrifices” that will help the prayers:

- The Temple has donated through the Jewish Federation a sizable amount – the highest allows by the by-laws – to help the Jewish refugees there. we encourage our members to donate as well: [Please click here and join the Jewish Federation by Donating to help our Jewish brothers and sisters in Ukraine.](#)

If the link above doesn't work for you to click on, use the following link in the WRAP, or on the Temples webpage:

[https://form.jotform.com/220544248885968?utm\\_source=web&utm\\_medium=banner](https://form.jotform.com/220544248885968?utm_source=web&utm_medium=banner)

- In addition to monetary donations, we launched Operation “Spring-Pesach Cleanup” during which we will collect and deliver household items to help those refugees that eventually will arrive here soon to settle in and start a little more manageable life in our midst. Please find details within the Chai-Lights publication.

And there is more, a lot more:

- An exciting and inspiring presentation by Moti Tikotinsky, a member of the Raki-ah Experiments Management Team – the second scientific space program that Israel conducts. He just participated in the launch of the Raki-ah Mission and took a day to visit and share with us some of the less known inside stories about this program and the SpaceIL Bereshit Program that launched a lunar vehicle to the moon.
- In parallel to Operation “Spring-Pesach Cleanup” we will do a symbolic koshering of the kitchen and the Temple with the Religious School. All are invited to enjoy and savor the tradition and the way our ancestors (my parents and I as a kid included...) did it. Details will be published in the Weekly Wrap and special announcements.
- To supplement the former activity, we will be offering to sell your personal Hameitz, so your home will also be Kosher for Pesach. Forms will be distributed to all interested members and friends, as we get closer to Pesach.
- The Seder this year will hopefully incorporate some of your own personal stories of “Y'tzi-at Mitzrayim” – getting out of the narrow straits into freedom. Those of you who have a story to share during the Seder – please contact me.
- And after Pesach we will commemorate yet another major “Y'tzi-at Mitzrayim” of our People, as we observe the remembrance of Yom HaShoah.

The conclusion of the Seder is the wish-blessing: “L'Shanah HaBa-ah B'Yerushalayim – Next year in Jerusalem.” Are you interested in making this wish come true? Let me know! if a critical mass of you will express interest, we can start working on making it happen and figure out what it takes as we plan this exciting experience.

With warm blessing for sweet Pesach in health and joy,

*Rabbi Emanuel*

### **New Fund For Replacing The 2<sup>nd</sup> Old Stove !**

*Thanks* to donations from our members and friends, one of the kitchen stoves was replaced recently, just before the Jewish Food Fest.

Now, a new fund has been established by TBD, to replace the 2<sup>nd</sup> stove. It is more than 40 years old, and has been asking for a retirement, for a long time.

We want now to give it some golden years among the other stoves, at the stoves' happy hunting grounds.

### **Do you want to help to improve our TBD kitchen ?**

Write a check for a donation, paid to the order of Temple Beth David, and mark it for "**2<sup>nd</sup> Stove**".

***Thank you !***

### **New recommendations by the Board, for the mask policy at Temple Beth David !**

As of 2022, March 23rd, the Board of Directors voted to make the wearing of masks **strongly recommended**, but not mandatory in the Sanctuary. KN-95 masks will be available in the Lobby.

## Operation “Spring-Pesach Cleanup”

Spring and Pesach are the perfect opportunity to clean up and set order in our home, surroundings and souls. Get rid of that extra baggage that we carry around, all that “stuff” that we do not really need, and is, let’s admit it, deadweight in our homes and within our souls. Let go that puffiness that is symbolized by the leavened breads. Let go those attitudes and actions that are a burden on our souls.

What better way is there to achieve that? By combining the actual, physical, cleaning and letting go of duplicates we do not really use with the mitzvah of *Hesed* – acts of lovingkindness, acts of charity and donation.

At these times of international refugees’ crises, increased prices that make it harder on the domestic economically challenged individuals and families in our midst, we ask you, as you are going over your homes during this spring-cleaning spree, to bring those items you can live without, to the Temple, so it can be taken to donation and distribution centers that the Jewish Federation of the Gulf Coast operates.

### Following is the list of items that are in dire need:

**Tableware – Silverware**

**Dishes (plates, glasses...)**

**Pots and pans**

**Bowls, containers**

**Kitchen utensils**

**Serving utensils**

**Cutting boards, knives**

**Dish soap, sponges**

**Cleaning rags**

**Shampoo, conditioner**

**Soap, toothpaste**

**Toothbrushes,  
deodorants**

**Shaving kit**

**Towels**

**Small appliances**

**Hand and power tools**

**School supplies**

**Backpacks**

**Laundry detergents**

**Blankets, pillows, etc.**

**Waste baskets**

**Mops and brooms**

**Trash cans and bags**

**First Aid kits**

**OTC pain killers, vitamins**

**Diapers, wipes**

**Whatever one may  
need...**

With warm blessings for a successful and rewarding clean-up of both our physical and spiritual spaces and with gratitude in the names of those whom these items will be a life-saver,

*Happy and Kosher Pesach,*

*Rabbi Emanuel Ben-David*

# *Re-enacting Pesach Traditions*

*Sunday the 10<sup>th</sup> of April, 10am*

You are all – whether related to the Religious School students or not – invited to re-enact traditions that you witnessed and took part of with your Zeide (grandfathers) and Bobbe (grandmothers); let us put into action the idea of L'Dor VaDor – from Generation to Generation!

Starting at 10am, all in presence at Temple Beth David then – Religious School students and their parents, congregants and friends – will start baking Kosher Matzoth for Pesach.

Time is of essence: you have only eighteen minutes from start, when water touches the flour, to finish, putting the Matza in the oven. So please, bring your aprons and rolling pins and join the fun!

After baking matzoth, we will Kasher a few dishes in boiling water, search for Hametz crumbs and burn our findings. Then we will be able to declare Temple Beth David as Kosher for Passover of 5782, ready for the Seder on Friday the 15<sup>th</sup> of April.

**You are all welcome !**

## PREPARATION FOR PESACH – DELEGATION OF POWER FOR SALE OF ḤAMETZ

This year we will sell the Ḥametz of those who are interested in doing it in a consolidated form having the Rabbi acting as our agent.

The form, attached on the next page, authorizes the Rabbi to act on behalf of each individual that is interested in selling one's Ḥametz. To do so, one must fill out all the empty fields that are in the form, sign it and deposit the sum that one decides is needed to purchase the Ḥametz after the Pesach.

Rabbi Emanuel will publish the contract he will be making on the congregation's behalf for the sale of the Ḥametz of the community in due time.

All those who intend to sell their Ḥametz, should segregate and put aside the Ḥametz known to them and designated it "for sale."

The time the sale of the Ḥametz will come into effect is Friday the 15<sup>th</sup> of April, at 11:30am. As of that time, any of the Ḥametz that may be at the premises designated in the authorization form is the property of the Buyer, with all that is a derivative of that possession.

All forms must be submitted to the office no later than Thursday the 14<sup>th</sup> of April at noon.

Print out the next page, and enter your information !   =>

# FROM THE SISTERHOOD

## A Matter of Balance

**The Sisterhood sponsored “A Matter of Balance”, a course for learning practical strategies to manage falls and increase activity levels.**

A Matter of Balance is a program that emphasizes practical strategies to manage falls. Many older adults experience concerns about falling and therefore restrict their activities. A Matter of Balance is an awarding-winning program designed to manage falls and increase activity levels. Mike and Laura Gamba are the instructors. The class size is limited with no more than 12 participants or no fewer than 8. There are eight, 2-hour sessions, twice a week at various facilities. The participants in the program at TBD gained confidence as they learned to view falls as controllable, make changes to reduce fall risks at home and exercise to increase strength and balance.

## *PURIM SPIEL !*

On March 16<sup>th</sup>, Temple Beth David offered a celebration of Purim, with Megillah Reading, the story from the Torah, the Old Testament, about Esther, the wife to a Persian king,

who hid the fact that she was Jewish, until one of the kings advisors wanted to exterminate the Jews in the Persian empire, and later, how she saved her people.

The children from the Temple Beth David religious school performed a play based on the story.

The tradition requires that people get dressed up in costumes, and of course, enjoy some food, in this case, Hamantaschen cakes.

The always eminent and knowledgeable religious teacher Lynn Budnick succeeded to hide behind a perfect costume, even fooling your editor.

## **THE 2022 JEWISH FOOD FEST**

On March 20<sup>th</sup>, TBD arranged the 26<sup>th</sup> Jewish Food Fest, which became a remarkable success, both economically, as well as

shown interest by the visiting public, also for Judaism in general. Several new TBD members choose to help out as volunteers in the Food Fest organization, and far-away visitors became enthusiastic to offer their taste buds an experience, which made old memories to come alive.

## *Your Editors Voice...*

*Dear reader,*

**In this edition of the Chai Lights Newsletter there are a flyer for the first, most exciting, upcoming Jewish summer camp, Camp Chesed, now in planning by Temple Beth David, a dream which has been in the mind of people within Temple Beth David, for a very long time.**

If you are a parent and don't have any experience of a Jewish summer camp and why it is recommended for your child's Jewish learning and self identity, I just want to mention my own experience from my participation in the Jewish summer camp.

As you maybe already know, I'm not an American.

I'm living in Stockholm, Sweden, born Swedish as well as Jewish, being a 2<sup>nd</sup> generation with my mother, surviving the Holocaust, and just another snowbird, though not from the north of this continent, but I have to take a slightly longer path from the northeast, from the Scandinavian peninsula, to get to Spring Hill, and I do it a few times, every year, to avoid the winter weather and icy roads.

Well, when I got the word that this summer camp was in planning by Temple Beth David, I wanted to share my own experiences, of my own participation of a Jewish summer camp.

So here it is.

Back home, we have a Jewish summer camp, situated in the northern archipelago of Stockholm. That camp has been fostering Jewish kids for decades, since the early beginning of the 20<sup>th</sup> century.

Peeling potatoes, sometime back around 1910's

My father, who was born 1906, went to that camp, several times.

I went to the camp as well, and my kids have been to that camp, both as participating kids, and one of them, as a leader.

The Swedish Jewry is a very small minority, within the Swedish population.

The number of Swedes is roughly ten million, and the number of Jews is between 15 000 – 20 000, with a third of those, being members of any congregation.

The country is more than three times larger than Florida but with one-third the Floridian population, meaning the Swedish population is spread out into small villages, towns, and cities. There are only four Jewish congregations in the country.

That means that as a kid, you are probably alone in your school, being Jewish. If you know any other Jewish kid, you are either living in a larger city, or you are in luck.

Sweden in comparison with some U.S. states

Since many families are not religious, there might be an issue with getting to know your background and the Jewish

traditions, if you don't have parents, not following the traditions, or don't have the knowledge or interest to do so.

A Jewish camp is a starter for your child and will give your child a vitalized ego image of his or hers Jewish heritage. It will give your child the initial tools to manage antisemitic arguments and most important of all - it will give the kid new Jewish friends, maybe for life.

If you, as a parent, now might consider this for your child, read more about the American camp experiences, following this link:

<https://jewishcamp.org/stories/>

If you are interested to read more about my own and others experiences, of the one and only Swedish summer camp, you can find an article, through the link below:

<https://www.jta.org/2019/03/22/lifestyle/what-its-like-to-go-to-swedens-only-jewish-overnight-summer-camp#:~:text=GI%C3%A4msta%20was%20founded%20in%201909,bigger%20part%20of%20the%20curriculum.>

Finally, and of my own experience, I wish all luck for Temple Beth David's next important youth project, Camp Chesed, since I know by heart how important these camps are for any Jewish youngster, to give and improve their Jewish identity.

## HERE'S ANOTHER WAY YOU CAN GIVE TO TBD!

Do you shop on Amazon? If yes, then we have an easy way to support Temple Beth David with each purchase you make. A few minutes is all it takes to set it up. Just type the word 'smile.' before Amazon.com and you will be brought to the same Amazon site, but on the fundraising side. (<http://smile.amazon.com/>)

Support  
Temple Beth David.

When you shop at [smile.amazon.com](http://smile.amazon.com),  
Amazon donates.

Go to [smile.amazon.com](http://smile.amazon.com)

amazon smile

The first time you go to the 'Smile' side, you will be asked to choose the organization you wish to support. Search for **Temple Beth David and make sure it is in Spring Hill** (it's actually listed as Temple Beth David Jewish Center). Select us and then just use Amazon like you always do. Everything is exactly the same but remember, we only get credit if you order from the Smile side. It must say 'smile.amazon.com' every time. You use your existing Amazon.com account on AmazonSmile...everything stays the same. The AmazonSmile Foundation will donate 0.5% of the purchase price from your eligible AmazonSmile purchases directly to Temple Beth David.

For more information you can go to: <https://smile.amazon.com/about>
