Revised June 24th, 2021 / KB

The President would like to say a few words...

As 5782 has begun, it was a pleasure to see many of you who I had not seen in person for a long time. Zoom and Facebook Live are great for those who cannot be at Temple in person due to illness, but there is nothing to compare to the feeling of community when we are all together in the Sanctuary during the High Holy Days and for Shabbat services. Those at home can only listen in to the great discussions that ensue during the d'var or the enthusiastic singing during the service. Our Onegim and Kiddushes can only be enjoyed in person. It's a wonderful time to catch up with friends you have not seen in a while or to meet new friends.

We have many new members who are looking forward to getting to know you. If you have not returned to in person services, I would like to assure you that we have plenty of room for social distancing and while numbers remain high, masks are required in the building (unless you are eating, of course.) We are also continuing to offer outdoor events. Over 50 people attended our recent Sukkot Celebration, many of them new members and Religious School families. I'd like to thank the Humphreys/Evans family who set up the Sukkah (they'll be taking it down also) and each of you who helped with the refreshments, and moving chairs. It takes a village...

Speaking of Religious School, it has begun on a high note. We have a wonderful, new interactive curriculum for all age groups, as well as monthly after school family activities planned for the whole year. There will also be Family Dinner nights, with a brief family service held before our regular service. The first one is scheduled for October 29. A monthly program for toddlers, age 2-5, **Torah Tots**, will begin on October 31, 10:30 to noon. If you know a Jewish family who might like to become involved with our Religious School program, please let us know.

Again, I would like to wish each of you a HEALTHY, happy and peaceful New Year. If you have not yet made your holiday donation, there is plenty of time to do so. It is critical to the well-being and continuity of TBD. If you are not yet a member and attended our High Holiday services in person or on Zoom or Facebook, please consider becoming a member. A special welcome back to any of you who have been members, but are currently not. Without YOU, our family is not complete!

L'shalom, Marlene

Message from Reb Tuviah.

Sometimes, after the High Holidays, there may be the tendency to feel a slight sense of let-down for me. The anticipation and working toward the "Big Days," including the nervousness: Will I deliver the right message? Will my words hit home? Will people be inspired by the prayers, the music and the camaraderie? The Sanctuary is full for a few days. I get to see familiar faces as well as new faces. There is excitement in the air and it is palpable. And then, we are back to normal. The beautiful pure-white Torah covers are put away and the Torah scrolls are re-dressed in their familiar covers. There is the possibility of the sense of let-down creeping in.

In reality however, there is so much happening at Temple Beth David that there is no time to look back...only ahead. Our Religious School is up and running with an enthusiastic, experienced and dedicated faculty and lots of eager children. In addition, we are so very excited to have a brand new comprehensive curriculum for the students called, Shalom Learning. We come together, both in-person and virtually, to celebrate Shabbat each and every week as a faith community. Music continues to fill the air and it's just not from my guitar. The sounds of flutes and a violin are accompanying the multitude of voices all joining together as one harmonious voice of praise! As usual, deep learning is taking place as we challenge ourselves to dig deep into the words of Torah and truly go "from strength to strength" as Hebrew and other opportunities for learning are always available. Our committees are stronger than ever with all sorts of exciting programs and events. And last, but certainly not least, we are growing. Each month new members are brought to the Board for approval. This is a testament to the fact that we are truly living up to our mission statement...to be a Jewish light throughout our area!

Although there is so much to be excited about and grateful for, we must also acknowledge that these last couple of years and especially these last few months have been difficult. Hardships, challenges, tragedies, ailments. Life lived with both joys and challenges. At the end of Yom Kippur, we stood together in candlelight, singing the Havdalah service that "separates the holy from the ordinary." I'd like to suggest that the holiness doesn't end when the candle is extinguished, but lingers on into the rest of the year. What we may think of as "ordinary" can become extra-ordinary...when we notice.

This year, 5782, let's pray for the strength to embrace the joys and the challenges with equal enthusiasm and gratitude, knowing that all these experiences, all these blessings help us grow into the people we are meant to be.

Shanah Tova,

Reb Tuviah

NEWS FROM SWEDEN!

A Note from Ken Becker... Your Chai Lights Newsletter Editor

The leaves are getting yellow, and starts to cover the ground.

The temperature is today in the lower 50's, a little overcast, humidity around 50%, somewhat cloudy, but from time to time the sun is getting through.

The parabolic dish was just something I was playing with, a few years ago, to receive TV-stations, from around the world.

Sitting in my cottage, following the TBD service a Saturday morning (your time) is actually special.

While I'm able to watch the nature outside through those four large windows, shifting between the seasons of the beautiful summer, the windy autumn, a winter full of snow, and the promises of spring, adds an additional dimension to the Shabbos service. Thank you.

From the Membership Committee

Temple Beth David's Open House on August 22nd went very smooth. Everyone wore masks, which was required, and all the tables were well spaced and decorated.

The festivities began with Reb Tuviah giving an absolutely wonderful and informative presentation in the sanctuary.

A video on the new religious school curriculum was viewed. Looks like a wonderful program for our religious school kids.

Jill Pfluke played a couple of beautiful songs on her violin and Karen Moore also played songs on her flute. Her final song "awaked" us. These gals are part of our Bimah Balladeers.

After the presentation everyone went into the Judith Greene Social Hall to get information from each of our temple committees. Members were available at each (spaced) table to answer questions from our guests.

We also had bagged cookies, candies a 2 beautiful trays of fruit kabobs and cheese & tomatoes kabobs. They were made and donated by Becky Stewart and Barbara Humphreys.

A big thank you to all who helped set up for this event.

*Shalom,
Ellie Catcher*

Your CLN editor got an email from our excellent and very deeply estimated Hebrew teacher, working for the TBD Religious School, Lynn Budnick, who wrote the below mentioned:

I teach adult Hebrew Classes virtually, over Zoom and Skype. I have several different classes.

I will be starting a Beginner Hebrew Class after the High Holy Days, as my Beginner class will be graduating after the holidays.

I have a conversation class that is translating a book. We are almost finished and will be starting the next level book to translate.

I have people from the east coast of Florida, Naples, and several who are not Jewish who are in their third year with me.

The classes are free to Temple Beth David members, and \$5.00 per Session for non- members.

I can be reached by my cell, 551-999-3331.

Healing Your Body by Mastering Your Mind

A free presentation by Denise Schonwald, BSRN, LMHC

Saturday, September 18, 2021 at 2:00pm

Must RSVP: 727.992.1296 - Love Offering Appreciated

Denise Schonwald is the author of "Healing Your Body By Mastering Your Mind". Denise wrote this book when she realized that many of her patient's illnesses and symptoms had similarities.

A disease, illness or symptom develops when energy in our body becomes blocked or imbalanced. Many of us have little understanding of what causes it and how to correct it. Denise will help us understand the important connection between mental health and physical health and how we can incorporate our yoga practice to help us stay healthy physically, mentally, emotionally and spiritually.

HERE'S ANOTHER WAY YOU CAN GIVE TO TBD!

Do you shop on Amazon? If yes, then we have an easy way to support Temple Beth David with each purchase you make. A few minutes is all it takes to set it up. Just type the word 'smile.' before Amazon.com and you will be brought to the same Amazon site, but on the fundraising side. (<http://smile.amazon.com/>)

**Support
Temple Beth David.**

When you shop at smile.amazon.com,
Amazon donates.

[Go to smile.amazon.com](http://smile.amazon.com)

amazon smile

The first time you go to the 'Smile' side, you will be asked to choose the organization you wish to support. Search for **Temple Beth David and make sure it is in Spring Hill** (it's actually listed as Temple Beth David Jewish Center). Select us and then just use Amazon like you always do. Everything is exactly the same but remember, we only get credit if you order from the Smile side. It must say 'smile.amazon.com' every time. You use your existing Amazon.com account on AmazonSmile...everything stays the same. The AmazonSmile Foundation will donate 0.5% of the purchase price from your eligible AmazonSmile purchases directly to Temple Beth David.

For more information you can go to: <https://smile.amazon.com/about>
